LIGHTING

## Big Red LED Light Bars

You can't beat these Big Red Light Bars. They're versatile, long-lasting and virtually unbreakable. The 3W Cree® LED lights are designed to work beautifully with the spot beam reflectors. They can be mounted vertically or horizontally thanks to the cleverly designed stainless steel mounting brackets and hardware. And with a polycarbonate lens, robust precision extrusion and die-cast aluminium housing, these light bars are seriously tough.

DLX1201LEDBR1TAX  
240W Combo  
**\$1,750.00**

If you want the latest and best in lighting technology you can't go past Xray Vision LED linear driving lights. Using unique quad-optic technology, these compact lights cast powerful spread and pencil beams. The die-cast alloy body with vertical heat sinking means they're strong and resistant to vibration, corrosion and heat. Perfect for every road you'll travel.

DLX302LEDBR1TAX

## Hella High Performance LED Lights

Hella is serious about high performance lighting - providing exceptional durability for everyday use. These LEDs cast a bright light yet use only 25 watts of power. They're designed to take tough conditions. They're corrosion-proof and rated to protective class IP6K9K and IP6K7 - which means they're dust-proof and can cop high pressure and steam jet cleaning and temporary water immersion. Add a 5 Year Warranty...it's the real deal.

## 6 x RedRoo Kenworth Shock Absorbers with Air Kits

RedRoo shock absorbers are built to withstand the harshest of Australian road conditions. They are incredibly durable and made from high quality materials. The unique automatic adjustment and new valve design improves tyre life, helps enhance ride quality and provides consistent performance. RedRoo shocks include a 25mm diameter shaft and a hydraulic lock out feature to help prevent metal-to-metal contact when the shocks are fully extended. RedRoo shocks are easy to service and offer great long term performance and value.
